

# Bavarian Alps and Lakes

## Walking between Lake Tegernsee and Mount Wendelstein

Bavaria, is just like a picture postcard: majestic mountain tops, deep blue sparkling lakes, and idyllic alpine pastures with grazing cattle – and much more! Discover Bavaria's most beautiful clichés during a week-long walking tour between Bad Tölz and Bayrischzell. Stroll leisurely on marvellous panorama paths through picturesque mountain scenery, take breaks along the way in charming mountain chalets, and savour a typical snack known as 'Brotzeit,' accompanied by a refreshing glass of beer.

The inviting lakes of Tegernsee and Schliersee tempt you for a swim, and a dip into the rejuvenating waters of mountain lakes is always a welcome respite on a hot summer's day. Mountains, lakes, and a Bavarian 'Brotzeit' snack – is there anything better than that?

What's quintessentially Bavarian? Beer gardens shaded by chestnut trees and hearty meals. Or shimmering lakes with excellent water quality, perfect for cooling off. The mountains, like Hirschtal-Sattel, Gindelalm, Taubenstein, and Wendelstein, that you'll encounter on this hiking tour, are also typically Bavarian. After a week of hiking, you'll have fully immersed yourself in the Bavarian way of life amidst mountains and lakes.
